2016 Race Dates and Media Information

Words : Russ Gardner - NGRR Media Officer
Images : EDP Photo News (www.edpphoto.co.uk)

For all NG Road Racing promoted meetings, **MEDIA ACCREDITATION** must be acquired from the circuit directly. Permission will generally only be granted to those with proof of full press accreditation. You will normally require at least one letter of accreditation from a newspaper or publication to accompany your application. It is advisable that contact is made with the circuit pre -season to ensure you have the necessary paperwork.

All Press and Media personnel are reminded that you must sign-on in the Press or Race Office, when you arrive, for insurance reasons, but please be aware that it is required in most cases that you also have your own personal liability insurance.

All Press and Media personnel must also be aware that although track-side access is generally granted without any problems, it is only under the supervision of the marshals/officials that are controlling that area of the circuit. If they feel that you are in a dangerous position, or are endangering others by your actions they will ask you to move. We request that you comply with their instructions promptly.

2016 Race Day Fixture List

19 th and 20 th March	Brands Hatch	NG Championships plus 250GP ACU National
16 th and 17 th April	Cadwell Park	NG Championships plus 250GP ACU National

Applications for Media Accreditation

Applications for media accreditation and track-side passes must be made through the contacts below, or via the relevant circuits web site media link. I would advise that this be done in good time, prior to the season. Most circuits will usually require, proof of accreditation, proof of personal liability insurance
