

NG Road Racing Club Training Academy

ACU - BRA / CTC Course for all new Road Race Licence Applicants Venue - Pembrey

Pembrey - Sat 4th March 2017 Sun 5th March 2017

As part of the ACU's ongoing policy of rider development and education, and in line with requirements as laid down in the 2016 ACU Handbook, all first time applicants for a Road Race Licence (*& applicants whose licences have lapsed for more than 5 years) must undergo a **classroom training course (CTC)** & **basic riding ability** assessment. (BRA)

The purpose of the classroom course is to ensure that you understand the basic safety and organisational requirements to participate in road racing. Before any new licence can be issued, you must satisfactorily attend the course and pass the multiple-choice test

In addition to the CTC all applicants for a Road Race Licence must undergo a Basic Rider Ability assessment to show you have the ability to ride a motorcycle.

To take part in this course you must have the use of a motorcycle, and a full set of protective clothing including one piece leathers, a helmet bearing an ACU gold stamp, suitable boots and gloves. You can ride any motorcycle for the Basic Riding Ability assessment; it does not have to be a Racing Motorcycle. The motorcycle should be road worthy and should not have any race numbers showing during the test.

The ACU Training Course and Basic Rider Assessment course will be organised by NG and held on the dates above at Pembrey Circuit in Carmarthenshire,

To book a place on one of these dates, please print off and complete the Booking Form below and return to: Nino Pezzini, 10 Otley Close, Heron Grange, Worcester WR4 0BJ
