**2019 BRA/CTC Course for all new ACU Road Race Licence Applicants -
Venue – Castle Combe Circuit - SN14 7EY**

We have added an extra date

This will take place at Castle Combe on Thursday 29th August 2019

As part of the ACU's ongoing policy of rider development and education, and in line with requirements as laid down in the 2019 ACU Handbook, all first time applicants for a Road Race Licence *& applicants whose licences have lapsed for more than 5 years must undergo a **Classroom Training Course (CTC) & Basic Riding Ability** assessment. (BRA)

*Lapsed licence holders who previously held a full Clubman or above licence may only have to sit the CTC element, contact me for confirmation

The purpose of the classroom course is to ensure that you understand the basic safety and organisational requirements to participate in road racing.

Before any new licence can be issued, you must satisfactorily attend the course and pass the multiple-choice test

In addition to the CTC all new applicants for a Road Race Licence must undergo a Basic Rider Ability assessment to show you have the ability to ride a motorcycle to a safe standard while on track.

To take part in this course you must have the use of a motorcycle, and a full set of protective clothing including one piece leathers, a helmet bearing an ACU gold stamp, suitable boots and gloves. **You can ride any motorcycle for the Basic Riding Ability assessment; it does not have to be a Racing Motorcycle. The motorcycle should be road worthy and should not have any race numbers showing during the test.

**If you do not have a current Full DVLA "Grade A" road licence, you are limited to 600cc 4 cylinder, 675 triple, 750 twin machines. If under 18 further restrictions may apply.
